

International Journal of Advanced Research Trends in Engineering and Technology (IJARTET) is a scholarly online, open access, peer-reviewed, interdisciplinary and monthly journal focusing on theories, methods and applications in Engineering and Technology and related fields. We publish original research articles, review articles and technical notes. The journal reviews papers within one week of submission and publishes accepted articles on the internet immediately upon receiving the final version.

IJARTET has many benefits which are all geared towards strengthening research skills and advancing academic careers. As by Law of Engineering and Technology, Journal publications are a vital part of academic career advancement.

IJARTET aims to publish high-quality papers with a specific focus on learning within their specified focus that are accessible and of interest to educators, researchers and academicians. IJARTET invites authors to submit original and unpublished work that communicates current research on Engineering and Technology. Original works are invited in form of research paper/ manuscript. Manuscripts should follow the style of the journal and are subject to both review and editing.

Benefits to Authors:

- We provide certificate of publication for all accepted papers which can be used as a proof of publication.
- Upon Request from researchers, we provide full set of hard copy of the accepted research paper which enables to do further research in relevant field.
- Researchers can send Original research papers, Survey / Review articles, providing a comprehensive review on a scientific / research topic, thesis /project works, Extended version of conferences / Journals / Workshops and Technical Notes to be published in this journal whose standard review takes not less than 7 days.
- Authors are invited to submit their original, Dissertations/Thesis for consideration of publication in IJARTET proceedings. Dissertation/Thesis can be in the field of Engineering, Technology and related disciplines.

Every Month IJARTET awards the title "**Best Research paper of the Month**" to the best and high quality paper in the particular issue.

Advantages to the authors of "Best Research paper of the Month"

1. Authors are given Special Best Research Paper certificates apart from normal certificate
2. 50% less fee when they publish next time in IJARTET within a year.
